

HOW TO USE THE MASK AT MEALTIME

Find out below how you should do at mealtimes
to follow a processes that protect you and others!

- 

Head to the restaurant or canteen wearing your mask, and clean your hands before serving!
- 

Keep the mask on while you get the tray, plates and meal.
- 

Respect social distance of 1.5m while seated, accommodate the tray, just then remove the mask.
- 

Store the mask in an hermetic box during the meal. Don't leave it on the table, the tray or around your neck.
- 

After the meal, replace the disposable or washable mask with a clean one.
